« The joy of editing a Free Design »

ENOstudio (« Editions Nouveaux Objets ») was founded in 2017 with the ambition of editing quality everyday objects, furniture and lightings, with a sustainable, simple and poetic design.

*ENOstudio aims to publish reachable and timeless creations.
We built over the years a supply network of 600 active retailers and tight cooperation with more than 450 architects and interior decorators all round the world (60% in France, 40% Worldwide).*

*ENOstudio grew its communication standards both digitally and physically by participating renown trade shows such as Maison & Objet, IMM Köln or Stockholm Design Fair.
By Collaborating closely with highly talented and famous designers, ENOstudio keeps reinventing itself through the years to propose accessible and beautiful designs to individuals and professionals.*
